The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Rockford Waste Water Treatment Facility Improvements Project in fiscal year 2025. The intended recipient is the City of Rockford located at 6031 Main St, Rockford, MN 55373. The project would be a valuable use of taxpayer funds because improvements include replacement and significant upgrades to the pretreatment system where debris and foreign materials are removed from the wastewater stream before entering the biological treatment system.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Tom Emmer
Member of Congress
