Dear Chairman Cole and Ranking Member Quigley:

I am requesting funding for CSAH 19 & CR 117 Intersection Improvements in fiscal year 2024. The entity to receive funding for this project is City of Hanover, located at Hanover City Hall, 11250 5th St NE, Hanover, MN 55341.

The funding would be used to convert the existing 3-way stop-controlled intersection at CSAH 19, CR 117, and CR 203 to a roundabout, and install medians that would effectively reduce motor vehicle speeds and reduce the frequency and severity of crashes. The project is an appropriate use of taxpayer funds because it improves safety by removing the unconventional 3-way stop geometry and ensuring safer crossing conditions for pedestrians and bicyclists.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Tom Emmer
Member of Congress
