Dear Chair DeFazio and Ranking Member Graves:

I am requesting \$20 Million in funding for the I-94 Expansion Project in fiscal year 2022.

The entity to receive funding for this project is the Minnesota Department of Transportation, located at 395 John Ireland Blvd, St Paul, MN 55155.

The funding would be used to create an additional travel lane to I-94 in each direction from Albertville and Monticello, in Wright County, Minnesota to support the growing corridor. The Average Annual Daily Traffic is over 65,000 vehicles per day. Funding and completing this project are crucial for attracting needed economic development, resulting in economic growth and local tax benefits.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Tom Emmer
Member of Congress
