The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for City of Sartell North Central Watab Watershed Flood Mitigation Project in fiscal year 2025. The intended recipient is the City of Sartell located at 125 Pinecone Road North, Sartell, MN 56377. The project would be a valuable use of taxpayer funds because the city will install the new 60" main under the construction of a new roadway, not only solving the flooding concerns but also addressing a massive traffic issue.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Tom Emmer
Member of Congress
