Dear Chairman Simpson and Ranking Member Pingree:

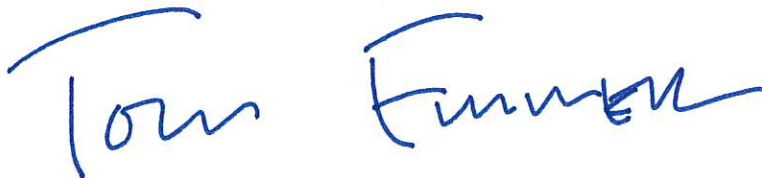

I am requesting funding for New Germany Wastewater Improvements in fiscal year 2024. The entity to receive funding for this project is City of New Germany, located at 300 Broadway Street E, New Germany MN 55367.

The funding would be used for improvements to the City of New Germany's wastewater treatment facility. The project is an appropriate use of taxpayer funds because it allows the City to meet MPCA reduced levels of phosphorus requirements and be able to add permits for businesses to expand and homes to be built. Housing in New Germany provides affordable options for families in the region. Having more workforce housing supports businesses and adds to the tax base.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Tom Emmer  
Member of Congress
