The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for City of Carver Levee Modernization Project in fiscal year 2026. The intended recipient is the City of Carver located at 316 Broadway Street, Carver, MN 55315. The project would be a valuable use of taxpayer funds because it would protect the community and historic downtown from major flooding or a catastrophic failure of the levee and increase investment and economic development in the community.

The project has a Federal nexus because the funding provided is for purposes authorized in U.S.C.5305(a)(1) and U.S.C.5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Tom Emmer
Member of Congress
