RE: Wastewater Treatment Facility Improvements – City of Rockford

Honorable Congressman Emmer:

As the State Representative for Minnesota House District 29A, I am writing to express my support for the City of Rockford's application for Community Project Funding for the proposed Rockford Wastewater Treatment Facility Improvements project.

I request that you provide careful consideration to Rockford's application for FY2027 Community Project Funding for their Wastewater Treatment Facility needs. These improvements are essential in allowing the city to continue to operate the wastewater treatment plant effectively and efficiently while helping protect our environment.

Thank you for advocating for this application and allowing me the opportunity to provide my support.

Sincerely,
