Dear President Trump, Secretary Rubio, and Secretary Mullin,

On behalf of our constituents across Minnesota, we want to thank you for taking rapid and decisive action to remove Tou Lue Vang from our country. As you know, Tou Lue Vang, who entered this country illegally, was convicted of raping a 10-year-old girl in Minnesota in 2006 but was shielded from deportation by the failed and weak leadership of Governor Tim Walz and Attorney General Keith Ellison, who supported issuing a pardon for Vang this past June. Minnesotans and all Americans are safer today thanks to your administration's action.

Unfortunately, our constituents have been forced to bear the brunt of the assault on our way of life perpetuated by former President Joe Biden and radical Democrats. Their attempt to systematically dissolve American culture, values, and traditions was most prominently pursued through the manufactured crisis at our southern border by the Biden Administration's border czar, Vice President Kamala Harris, and Department of Homeland Security Secretary Alejandro Mayorkas. This was only further enabled by the sanctuary state policies pursued by politicians like Tim Walz. Under Tim Walz's failed governance, Minnesota has become a haven for those who do not respect our laws and are dangers to our communities.

Despite your mandate to remove the worst-of-the-worst from our nation, Tim Walz and his cronies have attempted to defy federal law and executive authority during both Operation Metro Surge and in the case involving Tou Lue Vang. Thus, their actions have continually placed our constituents in danger by endeavoring to allow criminals and gang members to walk freely amongst law-abiding Americans. Given Tim Walz and Keith Ellison's inexplicable despise for

law and order, your campaign to rid illegal aliens from America has been desperately needed in our state.

The contrast between this administration and the extreme, pro-criminal Walz Administration could not be clearer; you find, arrest, and deport child abusers. Tim Walz and Keith Ellison try, and fail, to stop you. As fathers, mothers, and elected representatives of Minnesota, we are grateful for your continued leadership and commitment to making our communities safe.

Thank you for your service to our nation.

Sincerely,
