The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for City of Norwood Young America 2025 Infrastructure Improvement Project in fiscal year 2026. The intended recipient is the City of Norwood Young America located at 310 Elm Street West, Norwood Young America, MN 55368. The project would be a valuable use of taxpayer funds because it will increase the reliability of water service, improve public health, and improve the storm sewer drainage capacity.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Tom Emmer
Member of Congress
