The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for City of St. Francis Utility Replacement and Expansion Project in fiscal year 2026. The intended recipient is the City of St. Francis located at 23340 Cree Street Northwest, St. Francis, MN 55070. The project would be a valuable use of taxpayer funds because the portions of trunk line they are seeking assistance for carries a majority of their services for residential, commercial and link industrial users, including water support for 344 fire hydrants. The current system is beyond capacity.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Tom Emmer
Member of Congress
