The Honorable Rosa DeLauro

Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Cokato West Sewer and Water Main Extension Project in Fiscal Year 2027.

The entity to receive funding for this project is located at 255 Broadway Ave. S., Cokato, MN, 55321. The funding would be used to replace the sewer line to Dassel Cokato High School by relocating it along the Highway 12 corridor. The project is an appropriate use of taxpayer funds because the project will promote more economic development along the Highway 12 corridor. The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Tom Emmer
Member of Congress
