The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Cologne's Wastewater Treatment Facility Project in Fiscal Year 2027.

The entity to receive funding for this project is located at 1211 Village Parkway, Cologne, MN, 55322. The funding would be used for the planning, design, and construction of improvements to the existing wastewater treatment facility. The project is an appropriate use of taxpayer funds because the current facility is failing and this project will allow for additional growth in the city. The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Tom Emmer
Member of Congress
