The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the East Lake Netta Drive Street Reconstruction Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Ham Lake, located at 15544 Central Avenue NE, Ham Lake, MN, 55304. The funding would be used for the street reconstruction of East Lake Netta Drive in Ham Lake from Constance Boulevard (CR 60) to Crosstown Boulevard (CSAH 18). The project is an appropriate use of taxpayer funds because the project goal is to improve the safety of the roadway by removing the tight corners and obstructed views as much as possible, as well as increasing pedestrian safety.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Tom Emmer
Member of Congress
