The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the CSAH 1 & Storm St. NE Improvements Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Sauk Rapids, located at 250 Summit Ave. North, Sauk Rapids, MN, 56379. The funding would be used for the design and construction of needed infrastructure improvements including roadway, storm water, and utility improvements to provide safe and improved multi-modal access. The project is an appropriate use of taxpayer funds because it would provide improved access to increase recreational and environmental opportunities for residents and visitors.

The project has a federal nexus because the funding provided is consistent with purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Tom Emmer
Member of Congress
