The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Mayer Wastewater Treatment Facility Phase 1 Improvements in Fiscal Year 2027.

The entity to receive funding for this project is located at 413 Bluejay Ave., Mayer, MN, 55360. The funding would be used for Phase 1 improvements to the city's 25-year-old wastewater treatment facility to achieve compliance with new MPCA phosphorus limits and support projected residential growth. The project is an appropriate use of taxpayer funds because it solves the city's most urgent compliance and capacity issues. The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Tom Emmer
Member of Congress
