The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Sartell Water Capacity Project in Fiscal Year 2027.

The entity to receive funding for this project is located at 125 Pinecone Road N, Sartell, MN, 56377. The funding would be used for the construction of multiple new water transmission lines to facilitate the increased capacity demands of businesses in the area. The project is an appropriate use of taxpayer funds because Sartell is one of the fastest-growing communities in Central Minnesota and this project would alleviate the strain on infrastructure systems that were originally designed for a much smaller population. The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Tom Emmer
Member of Congress
