April 27, 2022

The Honorable Rosa DeLauro  
Chair  
Committee on Appropriations  
House of Representatives  
Washington, DC 20515

The Honorable Kay Granger  
Ranking Member  
Committee on Appropriations  
House of Representatives  
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting \$7,000,000 for the St. Cloud Heatherwood Road Project.

The entity receiving funding for this project is City of St. Cloud (Matthew Staehling), with a mailing address of 1201 7<sup>th</sup> St. South, St. Cloud, MN 56301.

The funding will be used to achieve the following purpose:

*This project will complete a vital arterial road corridor serving employment-related development and reduce reliance of local traffic on Interstate 94, addressing regional congestion concerns. More than 200 acres remain available for further job creation and urban development yet have lagged behind regional market demand given limited accessibility. Replacement of the underlying three miles of aged critical regional sewer infrastructure will ensure services are sufficient to meet needs of residents and foster business and economic growth of seven central Minnesota communities well into the future.*

Sincerely,

Tom Emmer  
Member of Congress
